To schedule an appointment, call: 208.625.4704

Skin cancer is one of the most curable diseases – if detected early. Spot check is not a total examination, but a screening of specific areas of concern where providers will check for suspicious spots called “lesions.” Registration is required for this event and early registration is suggested to reserve your space.

This screening has been made possible through the collaboration between Kootenai Clinic Cancer Services, North Idaho Dermatology and Advanced Dermatology and Skin Surgery.
